# Tracking the NDC process

---

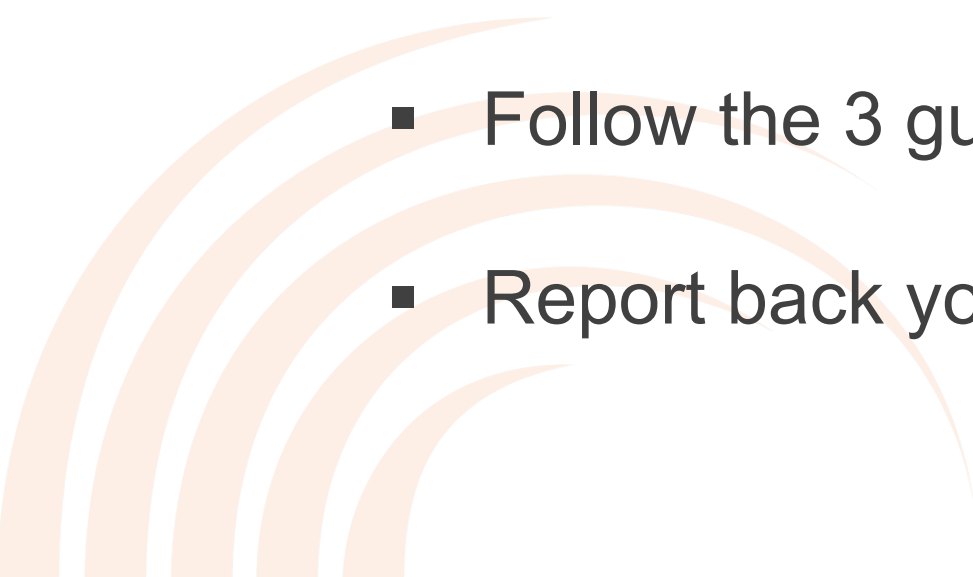

**Description:** Joint brainstorming on NDC implementation; break out into four groups and discuss how Caribbean countries are planning to implement and track their NDCs.

- Breakout group discussions (60 min)
- Report back to plenary (20 min)

**Objective:** to discuss how countries can best use the Hub in synergy with existing initiatives.

# Proposed approach

---

- Split into 4 groups and move to flip charts;
  - Assign a rapporteur and a note taker (supported by an CCMRVH representative);
  - Follow the 3 guiding questions (10 min each).
  - Report back your findings to plenary.
- 

## Guiding questions (10 minutes each)

---

- Where are we in terms of NDC implementation? (lessons learnt, experiences and challenges)
  - Where do we want to go (What needs to be improved)?
  - How can we get there (What is what we need from the MRV Hub to implement our NDCs)?
-
