The Capacity-building Initiative for Transparency (CBIT)

Almaty, Kazakhstan

Nov 13th, 2019

Empowered lives.
Resilient nations.

Key points

Paris Decision (Paragraph 84):

- Decides to establish a Capacity-building Initiative for Transparency in order to build **institutional** and **technical capacity**, both pre- and post-2020.
- This initiative will support developing country Parties, upon request, in meeting **enhanced transparency requirements** as defined in Article 13 of the Paris Agreement in a timely manner.

Scope of CBIT

Paris Agreement (Paragraph 85)

Strategy

1. To strengthen national institutions for transparency-related activities in line with national priorities;
 2. To provide relevant tools, training and assistance for meeting the provisions stipulated in Article 13 of the Agreement;
- To assist in the improvement of transparency over time.
- Strengthening national institutions;
 - Improving the knowledge of stakeholders involved in the political processes;
 - Improving the information management structure, etc.
 - Tools, methodologies, guidelines and models;
 - Peer-to-peer trainings and exchanges;
 - Improvement of GHG inventories, national MRV systems and monitoring of NDCs;
 - Follow-up and measurement of impacts, supports received, etc.
